**Entertainment:**

**George Longane**

George started playing with the 'Best Party and Dance Band' - Dr. Victor and the Rasta Rebels where he spent 15 years as one of the leading vocalists, gaining an unbelievable amount of experience and knowledge of the South African and overseas music industry. George then

moved on to become one of the founding members of the band "Reflections". There he spent over 2 years before establishing his own unique blend of entertainment. He has shared the stage with the likes Tina Turner, Gloria Estefan, Janet Jackson and Shaggy. Recently George did the Huisgenoot Treffer Na Treffer Show in Durban and also sang the national anthem in Durban between South Africa and the British Lions.

**Priscilla "The Namibian Dessert Queen"**

When Priscilla walks onto stage, the air of expectation is palpable. Priscilla's stage presence, combined with her incredibly powerful & toned voice, you are in for a treat. Singing older and current popular music, with the odd surprise in-between, Priscilla will leave you in awe! Make sure not to miss this

performance - it's always just pure unadulterated fun with Priscilla on stage. *Accomplishments:* She have been chosen as the **Face of Hope** for Namibia nationally and **Voice of Hope** internationally at the Hope Foundation held in Cape Town South Africa 2016.
