INVITATIONS FOR NOMINATIONS OF MEMBERS OF THE ENGINEERING COUNCIL OF NAMIBIA, IN TERMS OF THE ENGINEERING PROFESSIONS ACT 18 OF 1986

In terms of Section 3(3) & 3(4) of the Engineering Profession Act 18 of 1986, the Honorable Minister of Works and Transport, Hon. John Mutorwa MP, as the appointing authority, hereby invites nominations from interested persons, institutions and engineering voluntary organizations, to nominate persons who are registered with the Engineering Council of Namibia as Professional Engineers, Incorporated Engineers and Engineering Technicians for consideration for possible appointment as council members or alternative council members of the Engineering Council of Namibia.

The objective of the Engineering Profession Act of 1986 is to provide for the establishment of a Council for the Engineering profession in Namibia; for the registration of professional engineers and engineers in training, incorporated engineers and incorporated engineers in training, engineering technicians and engineering technicians in training; and to provide for incidental matters.

Candidates may nominate themselves or be nominated by an organization they are member of or by another individual. In cases of nominations by a third-party, candidates must give their written consent for the nominations. The nominated candidates are to submit a one-page motivation as to why they should be considered for appointment to the Council and attach thereto their most recent CV, Certified copies of IDs and appropriate academic qualifications and reference from the body or person nominating them.

SPECIFIC REQUIREMENTS

- From the Association of Consulting Engineers of Namibia (2)
- From the Engineering Profession Association of Namibia (2)
- From the Namibia Society of Engineers (1)
- Engineer in full time employment in the Public Service of Namibia (1)
- One person who may or may not be an Engineer who has knowledge and experience of public affairs and the economic requirements and is particularly suited to judge how the public interest in so far as it is affected by the Engineering Professions can best be safeguarded or promoted (1)
- One person who shall be a professor or lecturer in engineering at a recognized academic institution in Namibia (1)

GENERAL

- Women and previously disadvantaged persons will be given preference for this appointment
- No remuneration for this service;
- Period of service is 4 years

Nominations in envelopes clearly marked "Nominations of Members of Council: Engineering Council of Namibia" should be submitted no later than 26th April 2018 at 17:00 to the following address:
