

## Every innovative business idea needs a place to begin. Start here...

The Development Bank of Namibia will reward a truly innovative business idea, and all the work that went into it, with the 2018 Innovation Award.

Sharpen your pencils. Start making notes, technical sketches, insightful diagrams and detailed calculations.

If you strike gold with an idea that can change the future of enterprise, revolutionise the way Namibia does business or rethink the productivity of an economic sector, go to [www.dbn.com.na/innovation](http://www.dbn.com.na/innovation) to download the application form and find out how to enter.
