

Enyandi and Mercury are joining forces

Well-known insurance brokers Enyandi Insurance Consultants and Mercury Insurance Brokers, have announced their merger effective as of 1 March 2019.

Both Windhoek-based companies are strong competitors within the Namibian short-term insurance market. The decision to join forces is with the intention to expand their scope of business and to better serve their clients. The companies share a substantial knowledge of the Namibian insurance industry which they accumulated over the past 30 years.

Managing Director of Enyandi, Mrs. Alma Harmse, started her career in 1989 at the IGI Insurance Company. In 1992, she joined WC Knight and Associates. She was appointed to the Board in 1993 and later served as Managing Director. In 2010, she registered Enyandi Investments and the business has excelled since.

Mrs. Harmse has a driven passion for client and product services, therefore creating custom-made packages to suit her clients' needs. Enyandi won the prestigious Santam Diamond Award for exceptional achievement in 2013, and earned a 3rd place in the Old Mutual Annual Awards in 2018 for the growth in their Personal Lines.

Successful entrepreneur, Mr. Reno Margarites, started his insurance career in 1998 also at WC Knight & Associates. Thereafter he joined Glenrand MIB (now MINET) as a Senior Corporate Accounts Manager. Mr Margarites founded Mercury Insurance Brokers in 2009 to personally serve his clients. Mercury has developed over the last 10 years into an extraordinary business. The company effectively serves large corporates such as Deep Catch Holdings, who acclaimed Margarites for the way the fire damage at their Seapride Foods depot was handled.

Together Enyandi will offer their clients a wide variety of custom-made products supported by their remarkable customer service. The company provides products from all major Namibian insurers such as Santam, Hollard, Old Mutual Short-term Insurance, Western National, Momentum Short-term Insurance, King Price, Special Risk Acceptances and NASRIA. Enyandi is a registered Lloyds Open Market Correspondent, thus enabling them to place business outside of Namibia with foreign underwriters through Lloyds business partners.

Both Mercury and Enyandi would like to take this opportunity to thank their loyal clients and insurance partners for their continuous support. The company's new premises are located in the Ardeco Building (between FNB and Dagbreek School), off Nelson Mandela Dr in Klein Windhoek.

We are ready to be of service to all old and new clients
