

## Start or grow your production process with our manufacturing finance.

We are specialists  
in manufacturing finance.

For over a decade, we have structured  
start-up and expansion finance  
for large enterprises, small SME  
manufacturers and some of Namibia's  
leading household names.

Manufacturers trust us to provide  
the right range of financing products,  
suited to their individual needs.

If you have a plan to start  
a manufacturing operation  
or for manufacturing growth,  
we're ready to put our products  
to work, so that your products  
can succeed.

Call us to find out more.  
We're waiting to hear from you.

Product	Purpose
1 Contract (Tender) Based Finance	To meet short-term cash flow needs of a business, where there is an underlying contract or off-take agreement
2 Asset-Backed Finance (ISA)	To acquire movable assets and equipment for a business
3 Bridging Finance	To satisfy short-term cash-flow needs of a business to carry out a certain activity
4 Business Finance	To satisfy medium to long-term enterprise financial needs
5 Invoice Discounting	To provide capital for a borrower (business) against due and payable invoices
6 Business Acquisition Finance	For a buy-in (acquisition of interest by external managers) or buy-out (acquisition of interest by existing internal managers)
7 Commercial Property Finance	For acquisition or construction of immovable commercial property or making improvements to fixed commercial property
8 Franchise Finance	For acquisition of manufacturing franchise rights and operationalisation of the business
