

MINISTRY OF INDUSTRIALISATION, TRADE AND SME DEVELOPMENT

## PUBLIC NOTICE

### Call for Regional Value Chain Project Proposals

The Ministry of Industrialisation, Trade and SME Development, calls for public and private institutions, bodies and associations to submit project proposals to be considered for regional value chains. This call is made in collaboration with the SADC Secretariat focusing on upstream or downstream of both existing and potential regional value chain investment projects in the six (6)-priority value chain clusters as outlined in the costed action plan for the SADC Industrialisation Strategy and Roadmap. This includes, *Agro – processing, Minerals beneficiation, Pharmaceuticals, Capital goods, Consumer Goods and Services*. Services project to support and strengthen the value-chains will be considered, including areas such as *logistics (transport, handling, storage), laboratory/analytical/certification services*.

All interested parties are hereby requested to submit their project proposals and applications. The application form and criteria can be obtained from the Ministry of Industrialisation, Trade and SME Development.

Complete project proposals applications should be submitted on or not later than 30 April 2019, at 12h00 to the following address: **Ministry of Industrialisation, Trade and SME Development, Block B, 3rd Floor, Office No. 310, C/O Dr. Kenneth D. Kaunda & Goethe Street, Windhoek.**
