

CELEBRATING **30** years OF INDEPENDENCE

Celebrating **FINANCIAL** literacy

As a strategic partner of the Financial Literacy Initiative (FLI) since 2013, we have **MADE OUR MARK** by annually committing 0.2% of our net profit after tax as financing for the initiative.

The FLI aims to enhance financial education for individuals and SMEs so that they may better understand and utilize the financial sector.

#MakeYourMark #MoreThanABank

Advantage.
