

SECURING OPPORTUNITIES

The National Fishing Corporation of Namibia (FISHCOR) is proud to announce the acceptance of Venmar Fishing Pty proposal to secure employment for the 600 ex-Seaflower Pelagic Processing (SPP) workers on fixed-term contracts from 1st May 2021 until 31st December 2021.

Workers will be employed on an attractive package which includes the basic salary, transport and housing allowance.

The Temporary FISHCOR Board of Directors resolved to accept the proposal based on employees' sustenance, processing and operational capacity to undertake the above process as well as harvest and utilise the proposed quota.
