DBMNE0437 HANGAR UPGRADE – ORANJEMUND AIRPORT

SCOPE OF WORK:

Debmarine Namibia seeks experienced service providers to provide the following services at the Oranjemund Airport:

1. Helicopter hangar upgrade – building works
The supply, delivery, offloading and erection of a steel mezzanine structure inside the existing Helicopter Hanger, complete with subdivisions by means of drywall type wall installation, including the remedial works to the existing concrete floor, including joint repair and floor surfacing repair. All associated building and civil works should be included.
2. Helicopter hangar upgrade – electrical works
The removal of the existing, redundant, electrical equipment. The supply, delivery, offloading and installation of a new electrical system comprising lighting and small power reticulation. All associated work, including working at heights, provision for scaffolding, etc. to be included.
3. Helicopter hangar upgrade – mechanical works
The removal of the existing, redundant, mechanical equipment. The supply, delivery, offloading and installation of a new mechanical system comprising split type air conditioning units and ventilation fans. All associated work, including working at heights, provision for scaffolding and so forth, to be include.
