DBMNE0429 PROVISION OF SECURITY SERVICES - LÜDERITZ LOGISTICS BASE OPERATIONS

DESCRIPTION:

Debmarine Namibia is seeking an experienced service provider to provide specialised security services at the Lüderitz Logistics Base Operations 24/7, 365 days per year as per below requirements.

1. Access control at five (5) different locations in Lüderitz.
2. Explosive and Contraband detection using sniffer dogs at the above locations.
3. Manning surveillance systems on-site and alarms monitoring from a nerve centre away from the operation in Lüderitz.
4. Physical inspection and clearing of all goods exiting and entering Debmarine Namibia operational area including physical patrols, observation duties and general security awareness to protect persons and assets.
5. Administration, record keeping, documentation control and digital reporting of all safety and security incidents for review, inspection and audit purposes.
6. The service provider should have the necessary personnel, training and equipment in place to deliver to Debmarine Namibia operational needs in Lüderitz and ensure an effective security service portraying an image and reputation of excellence in line with Debmarine Namibia values and within the parameters of the Namibian Law.
7. Special skills required for the on-site contract administration and supervision with a minimum of five (5) years of relevant experience in Security services.
8. Experienced and trained dog handlers with a driver's licence.

DOCUMENTS TO SUBMIT:

1. Company profile.
2. Company risk assessment template and competency in risk assessment
3. Company registration documents.
4. Documents substantiating and supporting the below requirements:
 - Demonstrate five (5) years of experience in relevant security services considering the scope. Key criteria will be companies of suitable size and dealing with complexities in line with the requirements needed for bigger corporate clients.
 - List three (3) corporate clients relevant to this scope of work – describe the service provided and skills or competencies required and the number of resources assigned to the service provided.
 - Training records.
 - The number of staff allocated to the scope of work, describing their skill, background, relevant experience and qualification for this scope of work.
 - Services rendered in other regions in Namibia.
 - Costing proposal.
