

## **NDTC DIAMOND ENTERPRISE DEVELOPMENT PROGRAMME**

### **ARE YOU LOOKING TO GROW & EXPAND YOUR DIAMOND BUSINESS?**

The Namibian Diamond Trading Company (NDTC) is looking to support existing majority Namibian owned cutting and polishing businesses in the Namibian diamond industry to evolve by sponsoring their growth with a business development programme.

The programme is geared towards providing support through rough diamond supply and business incubation, ultimately growing and enabling Namibian diamantaires to operate across the entire diamond value chain. Successful candidates will receive bespoke mentorship from an experienced business development support service provider.

Training will include entrepreneurial learning, one-on-one business guidance, and much more. Interested applicants are invited to apply immediately. Please note, supporting documentation will be requested after completion of registration by way of an Expression of Interest.

#### **THE CRITERIA FOR EACH APPLICANT IS:**

- The applicant must have a minimum 51% Namibian ownership (Priority will be given to such groups and primarily to women who were socially, economically or educationally disadvantaged by past discriminatory laws or practices over any category within the previously disadvantaged persons categories)
- A minimum turnover of N\$150,000 per annum
- Applicant must be active in the diamond cutting and polishing business
- Key individual (Namibian citizen) must have been involved in the diamond industry for a minimum of 5 years  
Submission of an abridged business plan setting out the following:
  - Business Strategy/Strategic intent
  - Financial and Funding Capabilities
  - Rough Sourcing Capabilities
  - Manufacturing Capabilities/Capacity in Namibia
  - Polished Distribution Capabilities
- Suitably qualified and highly motivated applicants are invited to visit the NDTC website for more detailed information
