"NAVIGATING THE AI FRONTIER: SHAPING THE NEXT ERA OF WORK"

ARTIFICIAL INTELLIGENCE INTERSECTS WITH EVERY BUSINESS FACET, UNDERSTANDING AND MASTERING ITS CAPABILITIES IS NO LONGER OPTIONAL—IT'S IMPERATIVE.

Lelanie Basson
Managing Member
Twafiika Consultants

As the driving force behind Twafiika Consultants, Lelanie Basson exemplifies strategic acumen and transformative leadership. She excels in strategic business counsel, leadership facilitation and various aspects of management consulting. Her forward-thinking approach is further highlighted with the launch of an AI-integrated HR software solution.
