

PRESERVATION OF RETIREMENT BENEFIT ...

REGIONAL CONSULTATIONS

WHAT'S THE PROPOSAL?

The government is considering a compulsory preservation of retirement benefits plan. The amount of a member's early withdrawal benefit to be preserved equals 75% of the minimum individual reserve (fund credit) in respect of the member as at the date of early withdrawal or such greater percentage of the minimum individual reserve as the member specifies upon early withdrawal.

YOU can have a say in this!
